Subject: Invitation to Summer School 2024 Program, 10th – 17th August 2024, Silpakorn University, Phetchaburi IT Campus

**Dear Prof. Dr. Ir. Aris Winaya, MM, MSi, IPU. Asean Eng,**

I am pleased to invite you to participate in the Summer School 2024 Program which will be organized from 10th – 17th August 2024 at the Faculty of Animal Sciences and Agricultural Technology, Silpakorn University, Phetchaburi IT Campus in Cha-am, Phetchaburi, Thailand.

This program aims to build student's technical skills and consists of lectures, laboratory works and field trips in the area of agricultural technology. The program activity is designed not only to prepare exchange students to gain knowledge in Thai agriculture but also to provide them with international experience via multicultural learning and social networking among participants from different countries. The program schedule is attached for your perusal.

Please be informed that registration and accommodation fees collected by the University will be waived for **quota students**, and all necessary materials will be provided. I offer two (2) students from your university to receive this quota. In case of more students are interested in this program, the **extra students** will have to pay 250USD each.

Participants are required to obtain an appropriate entry visa from the Royal Thai Embassy in their home country before entering Thailand, except for countries entitled to visa exemption and visa-on-arrival. Should you require additional information or need assistance, please feel free to contact Assist. Prof. Dr. Alisa K. Yoshida, the Program facilitator at [yoshida\\_a@su.ac.th](mailto:yoshida_a@su.ac.th), [yoshida\\_a@silpakorn.edu](mailto:yoshida_a@silpakorn.edu).

All applicants have to submit the application form within **20<sup>th</sup> May 2024**.

I hope that you would be willing to accept our invitation to this program and I very much look forward to welcoming you at our Phetchaburi IT Campus.

Yours sincerely,

Watcharaporn Ruamthum, Ph.D.

Dean, Faculty of Animal Sciences and Agricultural Technology,  
Silpakorn University, Phetchaburi IT Campus
